MILLINERY STYLES ARE TOO EXTREME.

Good Designers Realize That Revision and Modification Will Be Demanded by American Women Who Dress Well.

No siren ever called men to dange and destruction more effectually than do millinery openings lure women into bankruptcy of dress allowances. The enticements of the fall openings are many and deceptive.

At first glance, the average shopper will decide that all styles are extreme and she must be resigned. If she se ects her hat on this supposition she is making a grave mistake, because after the exaggerations of the openings will come a reaction in favor of more same styles.

This much in warning. Do not buy your fall hat, which may have to last you well into the winter, until have studied the millinery field thor milliner's statement that only the ex treme styles will be worn. Good de-
